

**District  
Transport  
Facility  
Centre**

## Preface

To provide the people of Bihar with more number of facilities than they can avail at present in various District Transport Offices, the State Transport Department has decided to establish District Transport Facility Centres in all the vital districts of Bihar.

## Goal

The purpose of this scheme is

- To render smooth and better facilities to the people of Bihar.
- To increase the number of services provided by various District Transport Offices, and
- To contribute in better record keeping and hence increase the efficiency of the District Transport Offices.

## Funding

The State Transport Department has allotted an amount of 101.93 lacks for each District Transport Facility Centres in headquarters at divisional level with 10 counters and an amount of 88.80 lacks to each District Transport Facility Centres at district level with 6 counters.

## Administrative Plan

Two types of District Transport Facility Centres building have been planned for this purpose.

1. District Transport Facility Centre building with 10 counters for Divisional Headquarters.
2. District Transport Facility Centre building with 6 counters for other District Headquarters.

Out of 24, there are six District Facility Centre cum District Transport Office each at Patna, Arwal, Katihar, Begusarai, Purnea and Munger for which funds have been allotted to Building Construction Department whereas for rest the funds have been allotted to Infrastructure Development Authority.

## Implementation of Scheme

The following list consists of all the districts which have been already given the approval for the construction of District Facility Centre cum District Transport Office.
